Translations:

In Paradisum

May angels lead you into Paradise;
may the martyrs receive you at your coming
and lead you to the holy city of Jerusalem.
May a choir of angels receive you,
and with Lazarus, who once was poor,
may you have eternal rest.

Ah, Si Mon Moine

O dance, my monk, dance,
You don't hear the dance.

Ah, if my monk would like to dance,
... I would give him a cap.
... I would give him a sash.
... I would give him a rosary.
... I would give him a homespun coat.

If he had not made a vow of poverty,
I would give him other things as well!

From the Director

This calls for a celebration! The Island Consort not only celebrates its 10th Anniversary year but also the 150th year since the Confederation of Canada. We have chosen a program that features all-Canadian compositions that illuminate not all, but many characteristics of our wonderful country.

We're pleased to have Sharon Wishart as accompanist and we hope you enjoy the inventiveness and fun of our talented composers.
